Summary

Finance professional with 9+ years in credit underwriting, risk analysis, and portfolio management across retail asset products. Experienced in financial statement review, ratio and cash-flow assessment, and risk-mitigating credit decisions for high-value CV, CE, mortgage, and LAS portfolios. Proven people leader, sustaining 98% team productivity, audit-ready compliance, and disciplined delinquency control. Known for digitization and process improvements that accelerate approvals, strengthen portfolio quality, and enhance stakeholder outcomes.

Core Skills

- **Credit Underwriting:** Retail asset appraisal, policy alignment, credit approval notes, sanction memos
- **Risk & Portfolio:** Risk rating, delinquency review, portfolio quality control, NPA monitoring
- **Financial Analysis:** Financial statements, ratio analysis, cash-flow evaluation, banker discussions
- **Products & Markets:** Commercial Vehicle, Construction Equipment, Home Loans, LAP, LAS, NRI/Gulf
- **Reporting & Insights:** MIS reporting, industry and market trend analysis, management dashboards
- **Leadership & Compliance:** Team mentoring, audit closure, regulatory adherence, policy governance

Experience

Yes Bank Ltd.

January 2023 – Present

Assistant Vice President, Credit Underwriting

Mumbai, India

- Own CV and CE credit underwriting for Maharashtra hubs, ensuring policy-aligned, SLA-led approvals and controls daily.
- Review statements, cash-flows and ratios, benchmark borrowers and structure risk-based deals and collateral mitigants.
- Approve proposals to INR 112k per case, tightening risk filters and keeping delinquency and NPAs steadily under 1.5%.
- Lead 6 credit officers across branches, standardizing credit and risk decisions and closing audit and compliance gaps.

Housing Development Finance Corporation (HDFC) Ltd.

September 2017 – January 2023

Deputy Manager, Credit Underwriting

Mumbai, India

- Underwrote NRI and Gulf home loan and mortgage portfolio end-to-end, from appraisal to disbursal across 10+ markets.
- Analyzed statements and collateral, applied risk pricing and covenants, ensuring compliance with policy and RBI norms.
- Managed loans up to INR 1.354 Million per case, sustaining portfolio GNPA below 1.8% and protecting spreads and fee income.
- Partnered with legal and technical teams, coached staff on systems lifting, servicing TAT and query resolution by 20%.

Axis Bank Ltd.

June 2016 – September 2017

Assistant Manager, Credit

Mumbai, India

- Underwrote CV, CE, auto, used car and LAS proposals for customers, enforcing policy first and risk-aligned decisions.
- Prepared credit notes with cash flow forecasts, industry views and mitigants to support sharper CV sanction decisions.
- Appraised cases up to INR 846k, improving decision accuracy, reducing rework by 15% and raising portfolio quality.
- Trained branches on KYC and analyzed 30+/60+ delinquency buckets, cutting TAT by 25% and improving collection focus.

L&T Financial Services

May 2015 – June 2016

Assistant Manager, Credit

Mumbai, India

- Evaluated credit risk for CV and CE loans for businesses, validating borrower viability, asset strength and intent.
- Reviewed financial health and business models to assign risk ratings and structure loan collateral and covenant cover.
- Delivered faster credit turnaround while maintaining loan portfolio quality, compliance and audit-ready documentation.

Project Management Highlights

Digitization of Collections & Sales Workflows, L&T Financial Services (Mumbai, India)

2015 – 2016

- Spearheaded digitization for in-house collections, deploying executives across 33 branches via pin-code mapping.
- Extended framework to sales teams, improving lead capture and lifting operational efficiency by 50%.

Education

Amrita School of Business, Amrita University

2015

Master of Business Administration (Finance)

Coimbatore, India

Raghu Institute of Technology, Andhra University

2013

Bachelor of Engineering (Electronics & Communication)

Visakhapatnam, India
