Experience

Flipkart India Pvt. Ltd

March 2024 – Present

Team Leader

Bangalore, India

- Led strategic seller operations initiatives including dropship charter expansion, increasing seller contribution from 2% to 13% of total orders (180% YoY growth).
- Managed and mentored a team of 121 seller support agents, reducing monthly contacts from 300,000 to 87,000 and sustaining below 20,000 through structured contact reduction strategies.
- Executed geo-expansion strategies across Tier 3 and Tier 4 cities, capturing 53% offline market share and unlocking new revenue streams.
- Implemented API integrations and OTP-based delivery systems, improving seller trust and engagement by 19% within 3 months.
- Led category growth and cost optimization initiatives, reducing Cost of Doing Business (CODB) and Cost To Unit (CTU).

Startek

March 2023 – February 2024

Senior Executive

Bangalore, India

- Translated complex sales and marketing data into executive-level insights to guide strategic planning.
- Streamlined administrative workflows, improving turnaround time and operational efficiency.
- Built strong client relationships, contributing to repeat business and enhanced customer retention.
- Maintained high standards of confidentiality while handling sensitive corporate data.

Cold & Dog GmbH

March 2022 – January 2023

Production Manager

Berlin, Germany

- Owned end-to-end system and production lifecycle management from planning to deployment.
- Implemented lean techniques to eliminate production bottlenecks and significantly improve team output.
- Designed proactive risk mitigation strategies ensuring uninterrupted and on-time project delivery.
- Collaborated with department heads to align operational execution with strategic business objectives.

Gorillas Internet GmbH

April 2021 – April 2022

Operations Executive

Berlin, Germany

- Enhanced customer satisfaction by optimizing delivery timelines and implementing a TOA (Turnaround Agreement) process for delayed deliveries, contributing to improved customer retention and higher repeat business.
- Managed inventory optimization initiatives to support continuous service delivery.
- Partnered with operations leadership on daily prioritization and high-impact project execution.
