

SAMIRKUMAR J. FUMAKIYA

Nadiad, India (Open to Relocate to Germany)

☎ +91 7069049881 ✉ samirfumakiya1987@gmail.com  [Samir](#)

Summary

Results-driven Planning and PPC leader with 15+ years of experience in engineered-to-order (ETO) manufacturing and heavy fabrication. Strong in production planning, material planning, MRP, inventory control, and supplier scheduling to protect delivery commitments and reduce execution risk. Hands-on with SAP ECC (PP/MM) for PR release, shortage analysis, and end-to-end material tracking from order to dispatch. Experienced in building baseline and recovery schedules using Primavera P6 and MS Project, supported by capacity, resource, and manpower planning. Known for cross-functional leadership across production, purchase, stores, quality, engineering, and suppliers to improve material availability, schedule adherence, and execution discipline.

Core Skills

- **Production Planning & Scheduling:** PPC, production planning, MPS, baseline and recovery scheduling, look-ahead planning, capacity planning, resource loading
- **Material Planning & Inventory Control:** Material planning, MRP, shortage analysis, inventory control, material availability, ageing review, consumption visibility
- **Supplier & Subcontract Coordination:** Vendor scheduling, subcontracting coordination, inbound follow-up, supplier commitments, delivery readiness
- **Systems & Tools:** SAP ECC (PP/MM), Primavera P6, MS Project, Excel MIS, Oracle, MOVEX
- **Manufacturing Domain:** Heavy fabrication, machining, assembly, WBS, work-center control, execution monitoring
- **Execution Governance & Leadership:** KPI dashboards, plan-versus-actual reviews, root cause analysis, CAPA, stakeholder coordination

Professional Experience

Anupam Industries Ltd.

July 2025 – Present

Deputy Manager – Operations Excellence (OPEX)

Anand, Gujarat, India

- Drive execution discipline across fabrication, machining, and assembly to stabilize daily output and delivery flow.
- Lead plan-versus-actual reviews and KPI-based daily performance meetings to close issues faster across PPC, Production, Quality, Purchase, and Maintenance.
- Strengthened escalation and review routines, reducing schedule slippage by 10-15% and improving adherence across work centers.
- Coordinate 10+ stakeholders to unblock constraints, improve material readiness, and sustain execution rhythm.

Integra Engineering India Ltd. (MNC)

July 2023 – June 2025

Assistant Manager – Planning / PPC Head

Gujarat, India

- Led end-to-end PPC for engineered-to-order manufacturing of railway panels, metro interiors, and control systems programs.
- Built L1-L3 schedules and managed MRP shortage analysis, vendor follow-up, and MIS to protect production continuity.
- Improved material availability by 15-20% through priority-based scheduling and tighter supplier commitment tracking.

ISGEC Heavy Engineering Ltd.

September 2021 – July 2023

Assistant Manager – Planning

India

- Managed planning for material handling equipment and EPC projects with multi-vendor coordination against site milestones.
- Developed baseline and recovery schedules in Primavera P6 and MS Project and supported SAP PP/MM tracking for PR release and shortage control.
- Improved dispatch readiness and inspection closure by 10% through weekly cross-functional reviews and constraint escalation.

Earlier Career Progression

• Associate Manager - Planning, Eimco Elecon (India) Ltd.	May 2019 – September 2021
• Senior Executive - Planning Engineer, Thermax Ltd.	November 2015 – May 2019
• Project Planning Engineer, Anupam Mitsubishi Heavy Industries Ltd.	March 2012 – November 2015
• Planning Engineer, GMM Pfaudler Ltd.	August 2010 – March 2012

Education

North Maharashtra University	2010
<i>Bachelor of Engineering in Mechanical Engineering (First Class with Distinction)</i>	<i>India</i>
Gujarat Technical Education Board	2007
<i>Diploma in Mechanical Engineering (First Class)</i>	<i>India</i>

Certifications

- ISO 9001:2015 QMS Auditor Certification
- Primavera P6 and MS Project Training | 2024
- SAP ECC (PP/MM) - Daily operational use for PR release, shortage analysis, and material tracking

Languages

- English – Full Professional Proficiency (C1)
- German – Basic Proficiency (A1)
