Summary

Hospital pharmacist with 7+ years of inpatient and outpatient experience across teaching and specialty hospitals, focused on safe, accurate and efficient medication use. Skilled in prescription review, high-risk and LASA drug handling, IV fluid preparation, expiry control and cold chain management for vaccines and critical medicines. Experienced in inventory and vendor management, cash and billing reconciliation and audit-ready documentation aligned with SOPs. Known for staying calm in busy dispensaries, learning new systems quickly and collaborating closely with physicians, nurses and administrative staff.

Core Skills

- **Medication Management:** Prescription review, dose and frequency checks, allergy awareness, patient counselling on use and adherence.
- **Hospital Pharmacy Operations:** Inpatient and outpatient workflows, order entry, labelling, controlled drug handling, cash and billing handling.
- **Inventory & Supply:** Stock level monitoring, purchase ordering, vendor coordination, FIFO, near expiry checks, documentation for audits.
- **Cold Chain & Safety:** Temperature log maintenance, vaccine handling, segregation of LASA and high-risk medicines, SOP compliance.
- **Quality & Compliance:** Pharmacy SOPs, dispensing and inventory records, support for internal and external inspections and quality reviews.
- **Tools & Systems:** Microsoft Word, Excel, PowerPoint, basic digital pharmacy records, comfortable with learning hospital information systems.

Experience

Chandigarh University Teaching Hospital

January 2021 - Present

Hospital Pharmacist

Gharuan, Mohali, India

- Deliver safe inpatient and outpatient dispensing for 150+ prescriptions per shift in a multidisciplinary teaching hospital.
- Verify doses, interactions and allergies, manage LASA and high-risk medicines and label orders while following pharmacy SOPs.
- Reduce expiry write-offs by 20% and prevent stock-outs by applying FIFO, near-expiry actions and cold chain checks.
- Reconcile cash and electronic payments with zero unresolved variances and coach team members on pharmacy workflows each year.

Healthsure Hospital

January 2020 - December 2020

Pharmacist

Gharuan, Mohali, India

- Supported inpatient and outpatient pharmacy operations in a secondary care hospital serving medical and surgical departments.
- Handled intake, labelling and final checks for around 80 prescriptions per day while following clear written procedures and safety checks.
- Improved accuracy of stock and invoice matching by aligning purchase orders with usage trends and supplier delivery documentation.
- Prepared and labelled bulk IV fluids for ward use and maintained controlled drug, expiry and temperature records for audit readiness.

Motherhood Hospital

January 2019 - December 2019

Pharmacist

Sec-62, Mohali, India

- Delivered safe dispensing for mothers and newborns in a maternity and neonatal hospital pharmacy supporting obstetric and paediatric units.
- Checked weight-based dosing, selected paediatric formulations and counselled caregivers on medicine schedules and possible side effects.
- Maintained complete and ready ward medicine trolleys so emergency and routine treatments remained available without delay for clinicians.
- Supported daily sales and stock reporting, giving management and auditors accurate information on pharmacy performance and inventory.

Education

IK Gujral Punjab Technical University
