Summary

Quality Assurance Professional with 14 years of experience in GMP-regulated pharmaceutical manufacturing. Experienced in regulatory inspection support and customer audit management across USFDA, EDQM, WHO and ISO frameworks. Strong expertise in Quality Management Systems, deviation and complaint investigations, CAPA management, and APQR trend analysis. Proven track record in strengthening compliance monitoring, documentation governance, and audit readiness within cross-functional manufacturing environments.

Core Skills

- **Quality Management Systems:** Complaint Handling, Deviation Management, Change Control, Return Goods Assessment
- **Investigations & CAPA:** Root Cause Analysis, CAPA Management, Corrective and Preventive Actions
- **Regulatory Compliance:** GMP, USFDA, EDQM, WHO Guidelines, ISO Audit Support
- **Validation:** Process Validation, Cleaning Validation
- **Audit & Inspection Support:** Regulatory Inspection Support, Customer Audit Handling
- **Product Quality Review:** APQR Preparation and Review, Quality Trend Analysis
- **Documentation & Release:** SOP Governance, Document Control, Batch Record Review, Product Release Support

Experience

Neuland Laboratories Limited

October 2018 – Present

Deputy Manager - Quality Assurance

Hyderabad, India

- Led end-to-end deviation lifecycle management, improving investigation closure rate from 60% to 95% through structured root cause analysis and cross-functional CAPA governance.
- Directed customer complaint investigations and return goods assessment, increasing complaint closure rate from 50% to 90% while reducing regulatory and customer escalation risk.
- Achieved 100% audit CAPA closure across all quarters through structured tracking, cross-functional follow-up and timely implementation, strengthening overall inspection readiness.
- Oversaw APQR preparation, deviation and complaint trending (monthly/annual), validation approvals, and SOP governance to sustain continuous quality improvement.

Hetero Labs Limited

March 2015 – August 2018

Senior Executive - Quality Assurance

Hyderabad, India

- Executed deviation investigations and supported CAPA effectiveness tracking to ensure timely closure and GMP compliance.
- Prepared and reviewed process and cleaning validation protocols and reports, supporting successful validation execution and batch release readiness.
- Contributed to APQR preparation and quality trend analysis, ensuring regulatory compliance and identification of process improvement opportunities.
- Supported batch disposition and QA review of BMR, BPR, and QC datasets to ensure data integrity and timely product release.

Sainor Pharma

June 2013 – April 2015

Senior Executive - Quality Assurance

Hyderabad, India

- Performed detailed GMP data review of batch records and quality documentation to support compliant batch execution and release.
- Supported deviation documentation, investigation data compilation, and compliance verification to strengthen QMS effectiveness.
- Managed customer documentation requests and data arrangements, improving response timelines and documentation accuracy.

Hetero Drugs Limited

October 2008 – May 2013

Executive - Quality Assurance

Hyderabad, India

- Reviewed batch manufacturing records and compiled quality trend data to ensure GMP compliance and production accuracy.
- Managed internal and customer documentation requests, improving response timelines by 20% and enhancing documentation accuracy.
- Contributed to APQR preparation and performed quality trend analysis to identify process improvement opportunities and reduce deviations by 15%.

Education

Government Degree College for Women, Osmania University

2005 – 2007

Master of Science (M.Sc.) in Organic Chemistry

Hyderabad, India

Certifications

- ISO 9001 Internal Auditor Certification

Languages

- English – Full Professional Proficiency (C1)
- German – Intermediate Working Proficiency (B1)
