

DR. NAVPREET SINGH VIRK

Chandigarh, India (Open to Relocate to Germany)

☎ +91 97801 00212 ✉ navpreetvirk29@gmail.com 🌐 [Navpreet](#)

Summary

Senior Principal Drug Safety Physician with 7+ years in pharmacovigilance across post-marketing and clinical trial safety programs, supported by high-volume medical review experience across **40,000+ ICSRs**. Drives medical review quality, signal detection & evaluation, and benefit-risk assessment to enable timely safety actions. Delivers regulatory-grade aggregate safety reporting and inspection-ready documentation aligned to EU/UK/US expectations. Facilitates safety governance forums and cross-functional decision-making with clinical, regulatory, and operations stakeholders. Builds team capability through mentoring, training, and consistent quality oversight.

Core Skills

- **Pharmacovigilance:** ICSR medical review, case narratives, SAE/SUSAR assessment
- **Clinical Assessment:** Causality, seriousness, expectedness, medical rationale
- **Signal Management:** Signal detection, triage, evaluation, benefit-risk assessment
- **Aggregate Safety Reporting:** PSUR/PBRER, DSUR, ASR, safety sections and analyses
- **Compliance:** EU-GVP, ICH-GCP, inspection readiness (EMA-aligned, MHRA, FDA)
- **Governance:** SRT leadership, SAE review meetings, unblinding support, escalation handling

Experience

Parexel International

April 2023 - Present

Senior Principal Drug Safety Physician

Chandigarh, India

- Own end-to-end medical review for post-marketing and trial ICSRs, ensuring consistent clinical assessment quality.
- Apply causality/seriousness/expectedness and support signal triage with clear medical rationale and escalations.
- Reviewed 40,000 ICSRs and accelerated complex-case decisions.
- Deliver PBRER/DSUR/ASR reviews and support EU/MHRA/FDA inspections with inspection-ready safety documentation.

Parexel International

April 2021 - April 2023

Senior Drug Safety Physician

Chandigarh, India

- Drove safety surveillance and governance for clinical and post-marketing programs across global sponsor portfolios.
- Authored DSUR and ASR content, evaluated signals, and chaired SRT meetings to align actions and documentation.
- Delivered on-time aggregate safety reports for 10+ programs and improved decision traceability across teams.

Parexel International

April 2018 - April 2021

Drug Safety Physician

Chandigarh, India

- Delivered medical review for post-marketing and clinical trial ICSRs to support compliant and timely case processing.
- Performed causality, seriousness, and expectedness assessments and strengthened case narratives with a clear rationale.
