Summary

Customer Experience (CXM) transformation leader with 15+ years delivering omnichannel CRM, contact center modernization, and AI automation for enterprise and public sector clients. Drive end-to-end programs from discovery and solution design through rollout, adoption, and governance. Strengths include CX KPI design (NPS, CSAT, FCR, AHT), stakeholder alignment, and vendor management across multi-geo teams. Known for building repeatable delivery playbooks, scaling partner ecosystems, and improving service performance and retention.

Core Skills

- **CXM & Contact Center:** Omnichannel, voice & digital, journey mapping
- **CRM & CCaaS:** CRM enablement, integration planning, rollout governance
- **AI & Automation:** Conversational AI, chatbots, WhatsApp automation
- **Program Delivery:** PMO, RAID, dependency management, vendor governance
- **CX Metrics:** NPS, CSAT, FCR, AHT, deflection, abandonment, QA
- **Leadership:** Executive communications, stakeholder management, partner alliances

Experience

Trustnow Technologies
