Summary

Senior RPA developer with 6+ years of experience in designing, developing, delivering and supporting enterprise grade automation solutions using UiPath, Microsoft Power Automate and Blue Prism. Strong hands-on expertise in REFramework, UiPath Orchestrator, Queue based processing and API driven integrations. Proven ability to deliver stable, compliant and scalable automations across public sector, health care, insurance and manufacturing environments with a strong focus on production reliability and long-term maintainability. Proven ability to lead cross functional teams, modernize legacy workflows and deliver measurable efficiency, cost and reliability gains in large scale automation programs.

Core Skills

- **RPA & Automation:** UiPath (Studio, Assistant, Orchestrator, REFramework, Queues, Assets, Document Understanding, Agentic AI), Microsoft Power Automate (Cloud Flows, Desktop Flows), Blue Prism (Object Studio, Process Studio, Control Room)
- **Automation Architecture & AI:** Automation solution design and architecture, end-to-end automation development, document understanding, OCR, NLP, AI/ML integration, exception handling and retry logic
- **Programming:** C#, .NET, Python, VBScript, SQL, Oracle
- **Platforms:** SAP, Mainframe, Citrix, Web and Desktop Applications
- **Databases & Data:** SQL Server, MySQL, Oracle DB, Excel (Macros, Power Query, Pivot Tables)
- **Governance & Support:** Bot monitoring, production support, compliance, documentation
- **Integration:** REST and SOAP APIs, Web Services, JSON, XML
- **Methods & Tools:** Agile (Scrum), Jira, ServiceNow, Git, DevOps
- **Visualization Tools:** Kibana, Power BI

Experience

Azee Systems Inc

February 2023 – August 2024

Senior RPA Developer / Lead

Houston, USA

- Led end-to-end UiPath automation lifecycle including requirement analysis, solution design, development, testing, deployment, and production support for public-sector workflows.
- Designed and implemented scalable REFramework-based automations with queue management, retry mechanisms, centralized logging, and multi-environment deployment strategies.
- Integrated AI-powered Document Understanding solutions using OCR, ML, and NLP, reducing manual document processing effort by 60%.
- Migrated legacy UiPath processes to Power Automate Desktop, redesigning workflows and controls for Microsoft Power Platform alignment.
- Developed and deployed Power Automate Desktop solutions integrated with APIs, Excel, SAP, and document management systems, improving operational throughput by 45%.
- Maintained production stability with >99% bot uptime through proactive monitoring, exception handling, and root-cause analysis.
- Mentored and guided 6+ RPA developers, enforced coding standards, conducted peer reviews, and ensured effective knowledge transfer.

*Application Development Team Lead (RPA)**Bengaluru, India*

- Led enterprise RPA programs across healthcare, insurance, and manufacturing clients, delivering 30+ production-grade automation solutions.
- Architected UiPath and Blue Prism solutions integrating SAP, mainframe systems, REST/SOAP APIs, and SQL-based back-end applications.
- Optimized automation workflows through selector stabilization, enhanced exception handling, and refactoring, reducing execution runtimes by 40%.
- Collaborated with business stakeholders, product owners, and IT teams to translate business requirements into scalable automation roadmaps.
- Supported governance, security, and compliance standards for large-scale RPA deployments in enterprise environments.
- Partnered with global stakeholders to define automation roadmaps and transition selected processes to Microsoft Power Automate.

Education

Jawaharlal Nehru Technological University, Kakinada**2008 – 2014***Bachelor of Technology in Electrical & Electronics Engineering**Andhra Pradesh, India***Certifications**

- UiPath Certified Advanced RPA Developer v1.0 (UiARD)
- UiPath Certified RPA Associate v1.0 (UiRPA)
- Microsoft Power Platform Fundamentals (PL-900)
- Blue Prism Developer (AD01)
- Microsoft Azure Fundamentals (AZ-900)

Languages

- English — Full Professional Proficiency (C2)
- German — Intermediate Working Proficiency (B1)
