Summary

Production engineering professional with 5+ years of experience in heavy fabrication, structural components, gear case housing, and earth moving equipment manufacturing. Expertise in CNC plasma operations, production planning, quality control, and shop floor supervision. Strong background in technical drawings, process documentation, and manufacturing process optimization.

Core Skills

- **Production Engineering:** Production Engineering, Process Planning, Raw Material Planning, Team Supervision
- **Quality Management:** Quality Assurance, FMEA, Control Plan, SOP, CAPA
- **CNC & Fabrication Operations:** CNC Plasma Cutting, Oxyfuel Cutting, Sigma Nest, Fast Nest
- **Inspection & Testing:** UT, DPT, RT Inspection, Measuring Instruments
- **Design & Drafting:** AutoCAD Drafting
- **Documentation & Compliance:** Production Documentation

Experience

Raizan Steel Engineering Pvt Ltd

2021 – Present

Senior Production Engineer

Maharashtra, India

- Lead heavy fabrication production for structural components, gear case housing, and earth moving equipment, improving on-time delivery by 20% through structured production planning and scheduling.
- Translate engineering drawings into shop floor execution using AutoCAD and Sigma Nest for CNC Plasma and Oxyfuel cutting, reducing material scrap by 15% through optimized nesting strategies.
- Plan raw materials and oversee end-to-end production processes, ensuring first-time-right manufacturing and reducing rework by 18%.
- Implement quality control systems including UT, DPT, RT and dimensional inspection using bore gauge, vernier caliper, and micrometer to ensure compliance with customer specifications.
- Supervise shop floor teams and manage procurement of raw materials, gases, and welding consumables to achieve monthly production targets.

Education

Chhatrapati Shahu Ji Maharaj University, Kanpur

2024

Bachelor of Commerce (B.Com)

Maharashtra, India

Shaikh College of Engineering and Technology, Belgaum

2017

Diploma in Mechanical Engineering

Karnataka, India

Languages

- English - Full Professional Proficiency (C2)
- German - Intermediate Proficiency (B1)
