Dear Hiring Manager,

I am writing to express my interest in opportunities that align with my background in **network operations, service assurance, and customer support**. With over five years of experience, I have developed strong expertise in resolving complex incidents, configuring network systems, and leading teams to deliver reliable and efficient services.

In my previous roles, I successfully managed critical incidents, supported enterprise clients, and implemented improvements that boosted customer satisfaction and system performance. I have hands-on experience with **network configuration, VPN setup, incident management, and Agile team leadership**, supported by certifications in **ITIL 4, Azure Fundamentals, Scrum Master, and Cloud Networking**.

I am confident that my technical skills, combined with my ability to collaborate across teams and deliver results under pressure, would make me a valuable addition to any organization. I look forward to the possibility of contributing my expertise to help achieve operational and business goals.

Thank you for your time and consideration.

Sincerely,

Shivtaj Malik
