Dear Hiring Manager,

I am writing to express my interest in **Chef or Line Cook** opportunities within your organization. With more than eight years of professional experience in the culinary industry, including international cruise line operations and luxury hospitality environments, I bring strong expertise in Pan Asian, Indian, and Italian cuisines along with hands-on experience in high-volume kitchens.

In my current role as a **Staff Cook with Carnival Cruise Lines**, I coordinate kitchen operations across multiple cuisine sections including Pan Asian, North Indian, and Italian stations. My responsibilities include preparing high-quality dishes, ensuring consistent presentation standards, and maintaining strict food safety and hygiene compliance in a fast-paced international kitchen environment. I also mentor and train interns, helping them improve their culinary skills and adapt to professional kitchen standards.

Previously, while working with **Viking Ocean Cruises and Carnival Cruise Lines**, I gained extensive experience managing high-volume service operations while maintaining consistency and quality. I handled daily ingredient preparation, coordinated with kitchen teams during peak service hours, and ensured timely delivery of dishes to meet guest expectations. Earlier in my career at Hyatt Ahmedabad, I worked closely with Chef de Parties across multiple stations, assisting with menu preparation, plating, and mise-en-place to support efficient kitchen operations.

Throughout my career, I have consistently focused on maintaining high standards of food quality, cleanliness, and team collaboration. My experience working in international cruise environments has strengthened my ability to perform efficiently under pressure while delivering exceptional dining experiences for guests from diverse backgrounds.

I hold a **Bachelor of Science degree in Hospitality and Hotel Administration from IHM Ahmedabad**, where I developed a strong foundation in culinary techniques, kitchen management, and hospitality service standards. In addition, I am currently learning German and actively improving my language skills to integrate effectively into professional environments in Germany.

Germany's dynamic hospitality and culinary industry strongly aligns with my professional goals. I am highly motivated to contribute my culinary expertise, teamwork, and dedication to quality within your kitchen team while continuing to grow as a chef in an international environment.

Thank you for considering my application. I would welcome the opportunity to discuss how my experience and passion for culinary excellence can contribute to your organization.

Sincerely,

Yash Maroo
