WORK PROFILE TIMELINE

2023

Senior Manager (Head) – QAQC & Regulatory Affairs,
Srisri Tattva Pvt. Ltd., Bengaluru, Karnataka,
December 2023 to Present.

Quality Assurance and Quality Control:

- Leading the QAQC team in implementing ISO 9001:2015 compliant QMS and ensuring regulatory compliance.
- Reviewing, validating and approving raw materials, excipients, intermediate & finished formulations (Tablets, Capsules, Classical dosage forms, Juices, Food & Nutraceuticals, Cosmetics, Fragrances & Flavours) using SAP.
- Evaluating and approving primary & secondary packaging materials, artwork designs, labels for various dosage forms in accordance with Legal metrology & applicable regulatory standards for both domestic & Export market.
- Monitoring stability studies to ensure product efficacy and shelf life in accordance with ICH guidelines.
- Managing customer complaints through Root Cause Analysis (RCA) and implementing Corrective and Preventive Actions (CAPA) for continuous improvement for both Domestic & Export market products.
- Conducting internal audits aligned with GMP practices to ensure excellence across operational and warehouse units.
- Managing external audits with certification bodies like AYUSH GMP & Drug License, HACCP, FSSAI, Ecocert, Aditi Organics (NPOP), OneCert International (USDA-NOP) and Vegan Trademark (Export).

Regulatory Affairs:

- Overseeing regulatory affairs activities, reviewing the regulatory documents, labelling requirements and ensuring timely submission of registration documents for new products and renewals (Domestic, USA, Europe, Canada & APAC Countries).
- Stay updated with evolving regulatory requirements and legal metrology regulations, providing strategic guidance to ensure product compliance with current national and international standards.

Team Leadership:

- Managing and mentoring a skilled QAQC & Regulatory team, promoting a culture of innovation, collaboration and continuous improvement.
- Conducting regular training sessions for production supervisors and staff to ensure adherence to GMP and regulatory compliance for both domestic and export markets.

Project Management:

- Managing project timelines, budgets and resources, ensuring on-time, within-budget delivery.
- Fostering collaboration among cross-functional teams to meet project objectives.

2021

Research Scientist - Regulatory Affairs & License.
R&D Center | Cholayil Pvt. Ltd., Chennai, Tamil Nadu |
Sep 2021 – November 2023.

Research and Development Excellence:

- Select and shortlisted active ingredients and excipients for various new cosmetic formulation based on their chemical properties and pharmacological activities, in alignment with CDSCO guidelines and Pharmacopeial standards.
- Provided strategic input by reviewing Product Development Reports (PDRs) and Master Formulation Records (MFRs) to ensure product compliance with applicable regulatory requirements.

ACHIEVEMENTS

- **Factory GMP & Drug License**

Successfully completed the Factory Good Manufacturing Practice (GMP) and Drug License retention process within established timelines, ensuring compliance with regulatory standards.

- **Drug License Approval for 65 New Products**

Secured approvals for drug licenses for 65 New products in Ayush/Cosmetic, demonstrating expertise in "Dossier Compilation" for the domestic market in CTD format.

- **"Scientist of the Month" - March 2015**

Recognized for sharing ground breaking research findings on "Natural Salicylic Acid, Eco-friendly Multi-functional Cosmetic Active Ingredient for Pimple Clear Neem Face Wash" at The Himalaya Drug Company, R&D Center, Bangalore.

- **"Scientist of the Month" - September 2013**

Acknowledged for presenting research findings on "Harnessing Mother Nature Benefits to Baby Care Product" at The Himalaya Drug Company, R&D Center, Bangalore.

- **"Qualified, GATE - 2007"**

Successfully completed the Graduate Aptitude Test in Engineering (GATE) conducted by the Indian Institute of Technology, Kanpur, India, in 2007.

2020

Principal Scientist – Research & Development, KP Manish Global Ingredients Pvt., Ltd, Chennai | Dec 2020 – Aug 2021

Team Leadership

- Led a dynamic team to develop Active Ingredients from lab to commercial scale.

Raw Material & product Evaluation

- Conducted thorough analysis and evaluation of raw materials, utilizing modern extraction/synthetic techniques to produce dry extracts, semi-solid, and liquid dosage forms while ensuring compliance with quality standards and regulatory requirements.

Sourcing Support

- Facilitated efficient and cost-effective sourcing of raw materials from diverse geographic regions, ensuring quality and regulatory compliance.

Audit and Approval

- Conducted audits and granted approvals for third-party commercial manufacturing plants to support commercial-scale production operations.

2013

Senior Research Associate – R&D-Centre, The Himalaya Drug Company | Jan 2013 – Dec 2020

Research and Development

- Conducted in-depth literature reviews to explore innovative botanical applications for Pharmaceutical, Consumer Health, and Nutraceutical products.
- Collaborated cross-functionally to identify suitable active ingredient for product innovation.

Technology Transfer and Regulatory Compliance

- Prepared detailed Technology Transfer Documents (TTD) and comprehensive Product Development Reports (PDR), Master Formula Records (MFR) with Bill of Materials (BOM), Critical Control Points (CCP), and process flowcharts.
- Compiled and submitted Stability Study Reports, Global Regulatory Compliance Documents, and Biological Evaluation Reports ensuring alignment with regulatory standards.

Product Development

- Formulated a diverse range of ayurvedic ingredients, contributing to a robust portfolio, including Pharma & Cosmetic range of products (shampoos, lotions, wipes, creams, soaps, deodorants, hair oils and hair dyes).

Regulatory Support

- Co-ordinate with Analytical and Regulatory Affairs teams to provide all mandatory documentation for compliance with domestic (AYUSH, CDSCO) and international market regulations.
- Supported product registration by providing validated technical documents and mandatory certifications.

2010

Junior Research Fellow

Devaki Amma Memorial College of Pharmacy, Calicut, Kerala |

Jun 2010 – Dec 2012

- Successfully executed a funded research project focused on *Morinda citrifolia* L. (Noni) fruit, in collaboration with the esteemed World Noni Research Foundation (WNRF), Chennai.
