Dear Hiring Manager,

I am writing to express my interest in **hospitality operations or restaurant management** opportunities within your organization. With over 5 years of experience in multi-unit restaurant operations and international exposure to fine dining service standards, I bring strong expertise in managing end-to-end restaurant operations, team leadership, and delivering consistent, high-quality customer experiences.

In my current role as **Owner and Manager of Swagat Restaurants**, I successfully built and scaled operations from one to two restaurant units by implementing structured processes, efficient workflows, and strong team management practices. I oversee all aspects of operations including staffing, vendor management, cost control, and daily service delivery. By leading a team of 25+ employees and introducing training programs and performance tracking, I have ensured service consistency and operational efficiency. I have also driven business growth through menu engineering strategies and local marketing initiatives that improved customer retention and strengthened brand visibility.

Previously, at **Kalahari Resorts in the United States**, I gained hands-on experience in fine dining environments, delivering high-quality guest service aligned with international hospitality standards. I supported wine pairing and beverage recommendations using my WSET certification and worked closely with chefs and service teams to ensure seamless dining experiences. This exposure strengthened my understanding of global service expectations, guest engagement, and cultural adaptability.

Throughout my career, I have focused on combining operational discipline with customer-centric service to drive business performance. I am particularly interested in opportunities in Germany, known for its structured hospitality standards, operational excellence, and focus on quality service delivery. With my practical experience in restaurant management, international exposure, and strong leadership skills, I am confident in my ability to contribute effectively to your organization.

I would welcome the opportunity to discuss how my experience in hospitality operations and customer experience management can support your team's success.

Thank you for your time and consideration.

Sincerely,

Vaibhav Dilip Kapadane
