Experience

Karamsar Technology

December 2023 – Present

Assistant Sales Manager (Technical Sales)

Chennai, India

- Captured specs/tolerances via structured discovery, mapped scope to manufacturability and delivery feasibility to protect margins effectively.
- Built comprehensive proposals (scope, pricing, delivery plan) and secured sign-offs, aligned commercial terms with buyer constraints confidently.
- Standardized assumptions & validation checklists, improved quote accuracy by 10–15% and cut clarification loops across cross-functional teams.
- Packaged BOM, acceptance criteria, and risk notes for clean delivery handover, shortened RFQ and quote cycle time by nearly 20%.

Karamsar Technology (under HMM)

August 2022 – November 2023

Senior Sales Engineer

Chennai, India

- Qualified prospects through detailed site visits/demos, documented constraints and use-cases for accurate and feasible solution fit.
- Converted discovery insights into BOM and realistic milestones, aligned feasibility with internal operations and external stakeholders.
- Sharpened discovery and fit scoring process, raised meeting and opportunity conversion rates by 10–15% consistently.
- Maintained CRM hygiene and follow-ups diligently, protected pipeline velocity and forecast reliability across assigned territory.

Schindler India Pvt Ltd**March 2017 – August 2022***Senior Engineer (Service Sales & Spares)**Chennai, India*

- Articulated maintenance value and scheduled proactively, improved renewal retention by 5–8% across customer base.
- Coordinated vendors and logistics to meet SLAs, reduced escalations through transparent communication and timely updates.
- Clarified scope early and standardized inputs thoroughly, reduced quote cycle time by 10–20% during key renewal campaigns.
- Drove disciplined communication and documentation practices, protected uptime, safety, and ensured audit readiness company-wide.

Starcom Information Technology Pvt Ltd**July 2016 – February 2017***Technical Engineer**Bangalore, India*

- Prepared RFP-compliant bids and detailed cost estimates, ensured timely submissions and traceable documentation across departments.
- Coordinated integration support during project rollout, maintained deliverable quality and stakeholder visibility throughout execution.
- Identified adjacent needs in active client accounts, expanded resale opportunities and account penetration across regions.

Periclave**January 2014 – June 2016***Junior Engineer**Chennai, India*

- Planned and coordinated installations with vendors/site teams, ensured standards compliance and on-time completion every cycle.
- Completed inspections and logged variances/corrections promptly, closed issues systematically to maintain delivery quality.
- Enforced acceptance criteria during final handover, reduced rework by 5–10% while maintaining client satisfaction.
