Dear Hiring Manager,

I am writing to express my strong interest in the Financial Data Analyst position. With eight years of experience in **investment consulting and banking operations**, combined with a proven ability to design **automated reporting and analytics solutions**, I am confident in my ability to add measurable value to your finance and analytics team in Germany. In my recent role as an **Investment Consultant at Aon Consulting**, I:

- Developed **interactive Power BI dashboards** with DAX that improved KPI transparency and empowered stakeholders with self-service insights.
- Automated reporting templates using **Excel and VBA**, cutting reporting cycles by **20%** and improving audit readiness.
- Led **end-to-end quarterly reporting cycles**, ensuring accuracy, compliance, and timely delivery across cross-functional contributors.

Previously at **JP Morgan Chase**, I:

- Managed ISDA/CSA documentation aligned with **EMIR and Dodd-Frank regulations**, significantly reducing regulatory discrepancies.
- Executed remediation and migration projects (**DOX → CAPTIS**), strengthening compliance and operational resilience.
- Consistently delivered results across **NA/EMEA/APAC regions**, earning recognition as a **Best Performer** for throughput and accuracy.

My **educational background** includes a **Master of Business Administration in Finance** from **PES University** and a **Bachelor of Commerce in Finance & Accounts** from **Mahajana First Grade College**. I have also completed a **Diploma in Data Analytics with Power BI (ITDesk)** and hold **NCFM certifications** in derivatives, futures, and options, further strengthening my analytical and technical capabilities.

Key **skills and tools** I bring include:

- **Financial analysis, forecasting, variance & trend analysis**
- **Power BI, DAX, Power Query, SQL/MySQL, Advanced Excel, VBA, Python (basics)**

- Expertise in **investment performance reporting, regulatory compliance (EMIR), and ESG benchmarking**

In addition, I am actively progressing with my **Germany Chancenkarte visa process**, making me **eligible and prepared to relocate** to Germany for this opportunity. I am also committed to professional integration, currently learning **German (A1) with a goal to achieve B2 proficiency**, ensuring effective collaboration in a German-speaking workplace.

I am excited by the prospect of applying my **data-driven decision-making expertise** to strengthen financial reporting, improve compliance accuracy, and deliver impactful insights.

I welcome the opportunity to discuss how my experience aligns with your needs. Thank you for considering my application.

Sincerely,
Nishanth B V
