## Summary

B2B marketing professional with 3 years across demand generation, field marketing, email automation, and SEO content. Delivered Eloqua programs, AEM landing pages, and Cvent-led events converting to pipeline across data/fintech and media. Partners with sales and PMM to run post-event nurtures, segmentation, and testing under GDPR. Known for disciplined reporting, Workfront-driven execution, and crisp copy that improves CTR/OR across EU/UK markets.
