Dear Hiring Manager,

I am writing to express my interest in an Administrative or MIS Executive role within your organization. With nearly six years of experience in operations support, reporting, and claims management across healthcare and FMCG industries, I bring a proven record of accuracy, coordination, and efficiency that aligns well with your operational goals.

Currently, as an Admin Executive at Team Lease Services Pvt. Ltd., I manage meeting and travel coordination, guest house operations, and compliance reporting. My role requires precision and multitasking to ensure seamless administrative flow across departments. Previously, at Nestlé India, I developed and automated more than 90 recurring reports and dashboards, supporting regional decision-making for 15+ sales offices. By leveraging Excel macros and data validation techniques, I reduced reporting discrepancies by 95% and improved data visibility across teams.

Earlier in my career with Vipul Medcorp Insurance TPA Pvt. Ltd., I handled high-volume claim processing and client communication, ensuring accuracy and adherence to service timelines. These experiences have strengthened my ability to manage data-intensive tasks while maintaining clear communication with stakeholders.

I am particularly skilled in Microsoft Excel (pivot tables, formulas, macros), MIS reporting, and administrative logistics. My combined background in data management and office administration allows me to deliver both operational and analytical support efficiently.

I am eager to contribute to a team that values precision, accountability, and continuous improvement. I would appreciate the opportunity to discuss how my skills can add value to your organization.

Thank you for your time and consideration.

Sincerely,
A. Lenin
