Summary

KYC and AML professional with 7+ years of experience supporting corporate and financial institution (FI) client portfolios in global delivery and regulated banking environments. Proven expertise in end-to-end KYC lifecycle management including onboarding, remediation, periodic review, and event-driven reviews using a risk-based approach aligned to US and EU AML Directives. Strong specialist in CDD and EDD, including complex UBO structures, SoF and SoW validation, and enhanced scrutiny for high-risk jurisdictions and regulated entities. Hands-on experience with sanctions, PEP, adverse media screening, correspondent banking questionnaires, and audit-ready documentation. Known for strong control discipline, stakeholder communication, and SLA delivery, with a track record of improving TAT, review consistency, and regulatory readiness.

Core Skills

- **KYC & AML:** Corporate KYC, FI KYC (KYB), (Wolfsberg CBDDQ / FCCQ)
Onboarding, remediation, periodic refresh, trigger-based reviews, Risk classification & customer risk rating methodologies, Policy interpretation & regulatory alignment (EU and US AMLD, internal AML frameworks)
- **Regulatory and Tax:** FATCA & CRS classification, W-8 / W-9 documentation, FinCEN references & AML policy alignment, Audit, regulatory exam & issue remediation support
- **CDD and EDD:** Complex UBO identification & ownership chain analysis, Source of Funds (SoF) & Source of Wealth (SoW) validation, High-risk entity reviews (FI, trusts, funds, offshore structures), Escalation memos & risk narratives for senior approval
- **Tools and Reporting:** Fircosoft, LexisNexis, RDC, Volcker, Excel trackers & MIS dashboards, Case aging, SLA & TAT reporting, PowerPoint stakeholder decks
- **Screening:** Sanctions, PEP & adverse media screening, High-risk jurisdiction assessment, False-positive analysis & disposition documentation, Correspondent banking reviews
- **Controls and Delivery:** Four-eyes review & QA checks, SOP adherence & control testing, SLA management & workload balancing, Cross-functional coordination (Ops, QA, Compliance, Front Office)

Experience

Deutsche Bank, DBOI

September 2025 - Present

KYC and AML Associate

Bengaluru, India

- Own end-to-end corporate KYC across onboarding, remediation, periodic refresh, and event-driven reviews for global client portfolios.
- Perform CDD and EDD including UBO verification, ownership structure analysis, SoF/SoW validation, and risk rationale documentation aligned with internal AML policy and EU regulatory expectations.
- Review and validate tax documentation (W-8/W-9) and ensure FATCA/CRS classification accuracy.
- Conduct sanctions, PEP, and adverse media screening using Fircosoft, LexisNexis, RDC, and Volcker with clear disposition narratives and evidence retention.
- Resolve 3-5 end-to-end corporate onboarding cases weekly, improving SLA compliance and reducing portfolio ageing by 15%.
- Support audits and internal reviews by maintaining audit-ready KYC files, defensible risk decisions, and traceable documentation.

MUFG Enterprise Solutions India

June 2023 - August 2025

Senior Analyst, Global KYC

Bengaluru, India

- Led FI KYC reviews for banks, NBFCs, mutual funds, and insurance clients across onboarding and periodic refresh cycles.
- Executed CDD/EDD, sanctions/PEP/adverse media screening, and reviewed Wolfsberg CBDDQ / FCCQ for correspondent banking relationships.
- Assessed complex ownership and regulatory structures across multiple jurisdictions, ensuring alignment with AML policy and correspondent banking standards.
- Implemented load balancing and due-date smoothing, reducing queue ageing by 15–25% and stabilizing turnaround times across teams.
- Monitored SWIFT/SFMS triggers and coordinated event-driven reviews to prevent missed regulatory obligations across 3 regions.
- Acted as a point of escalation for complex cases, providing clear risk summaries and recommendations to compliance stakeholders.

Goldman Sachs

November 2021 - June 2023

Senior Specialist, QA and Risk Operations

Bengaluru, India

- Led Quality Assurance (QA) for UK deposits and account services, ensuring strict adherence to SOPs and regulatory expectations.
- Designed QA checklists, sampling frameworks, and control metrics for contact center and back-office operations.
- Delivered MI dashboards and trend analysis for Lockbox and fraud-prevention workflows.
- Reduced repeat defects by 10–20% through root-cause analysis, corrective action plans, and team coaching.
- Partnered with operations heads and senior stakeholders to track remediation actions and stabilize weekly quality performance.

Yes Bank

September 2018 - November 2021

Senior Officer, Corporate Service Delivery

Bengaluru, India

- Managed corporate KYC onboarding, account opening, and periodic reviews for corporate and government clients.
- Conducted client outreach, document validation, and maintained approval-ready evidence packs and audit trails.
- Improved turnaround time by 10% by streamlining handoffs and strengthening documentation standards.
- Supported current accounts, corporate FDs, and CMS operations, coordinating with 10+ internal and branch stakeholders.
- Ensured compliance with internal AML policy and RBI regulatory requirements.
