Summary

Graduated with a Second Class Bachelor of Arts in Business and Marketing Management from **Oxford Brookes University**, Oxford, UK, with hands-on experience in market research and support, client engagement, strategic communication, content creation, and marketing and event coordination. Brings exposure across luxury retail, agency projects, and client services in the UK and India, supporting marketing campaigns and brand events across digital, in-store, and experiential channels. Open to a wide range of opportunities across the marketing field, where strong coordination skills, creativity, and commercial awareness can add value. Eligible for Skilled Worker Visa sponsorship.

Core Skills

- **Marketing and Campaigns:** Campaign execution, brand positioning, PR marketing, event marketing, go-to-market support
- **Digital and Brand Channels:** Content planning, digital branding support, basic performance tracking, internal and external communications
- **Research and Analysis:** Market and competitor research, customer insight, survey analysis, simple data analysis, feedback interpretation
- **Client and Sales:** Client relationship management, consultative selling, upselling and cross-selling, after-sales follow-up, clienteling
- **Tools and Platforms:** CRM tools (HubSpot, Salesforce), Microsoft Office, presentation development, basic dashboards and reports
- **Domains and Soft Skills:** Retail and luxury, events and experiential marketing, product marketing exposure, media coordination, teamwork, stakeholder communication, cross-cultural collaboration, time management

Experience

Michael Kors

October 2024 – July 2025

Sales and Marketing Assistant

Bicester Village, United Kingdom

- Owned premium in-store sales, clienteling and on-site marketing activity for international shoppers in a luxury outlet setting.
- Applied styling advice, cross-selling and PR-style outreach around launches and events to match products to occasions and needs.
- Exceeded weekly sales targets by roughly 10–15% while lifting conversion of walk-in visitors into loyal, repeat store buyers.
- Supported visual merchandising and feedback loops that improved focus product visibility and event-led footfall in-store.

Ogilvy UK

October 2024 – June 2025

Career Insight Participant, WPP x Ogilvy Project

London, United Kingdom

- Joined a competitive program exploring PR marketing and assistant media coordination for integrated brand and sustainability campaigns.
- Researched sustainability trends, AI use cases and competitor activity to sharpen audience insight, messaging and channel mix.
- Co-created a Future AI Sustainability campaign and pitch deck that mentors recognised among the strongest cohort projects.
- Collaborated with cross-functional peers to map journeys across social, digital and experiential touchpoints for brand presence.

- Supported client services team delivering social, digital and event marketing projects for consumer and lifestyle brand accounts.
- Completed structured competitor and market research that informed campaign calendars, content ideas and product marketing angles.
- Tracked milestones, risks and actions in simple status reports that improved on-time delivery and visibility across 5+ clients.
- Coordinated briefs between design, delivery and client stakeholders, strengthening trust around campaign and event assets.

Projects and Leadership

Core Team Member, Itch Summit | Agency M, Bangalore, India

December 2023 – March 2024

- Helped core team organise Itch Summit, a creative and marketing event bringing together 300+ students and young professionals.
- Coordinated logistics, registrations and speaker requirements to keep sessions, breakouts and networking flows running smoothly.
- Supported social media activity and partner outreach that increased event awareness, registrations and on-day attendance.

PR Head, Cul Ah Fest | Mount Carmel College, Bangalore, India

September 2022 – February 2023

- Led student PR team owning external communication and promotion for a large inter-college cultural and marketing festival.
- Planned campus activations and social media campaigns that grew visibility across priority colleges and student communities.
- Aligned messaging with event heads and secured coverage that strengthened the festival brand and year-on-year participation.
