Experience

Optum Health Care

April 2024 – Present

Medical Coder

Remote

- Own risk-adjustment coding for multi-payer projects; uphold audit-ready accuracy and production targets.
- Apply ICD-10/HCC guidelines and payer-specific edits; document rationale and close CDI queries promptly.
- Sustain 95%+ sample accuracy and clear high-volume queues (120–150 charts/day) with stable throughput.
- Coordinate with QA and clinicians to harmonize rules, lifting first-pass yield and reducing downstream rework.

Optum Health Care

February 2023 – May 2024

Junior Medical Coder

Remote

- Support WellMed/WellCare/Anthem workstreams; adhere to project guidelines and HIPAA-compliant handling.
- Standardize coding notes/checklists; cut rework by 10–15% and accelerate new-hire ramp outcomes.
- Maintain quality 95% while meeting throughput goals; escalate ambiguities for accurate final coding.
- Collaborate with QA to reconcile discrepancies and embed learnings into SOP updates for consistency.

Optum Health Care

September 2022 – February 2023

Trainee Medical Coder

Remote

- Complete HCC ramp assignments; achieve 95% quality on samples and progress to independent queues.
- Practice encoder/EHR navigation and code lookups; record justifications to aid reviewer traceability.
- Contribute to shared FAQs that reduce clarification cycles and stabilize early-team quality metrics.
