Summary

Sales operations professional with 2+ years across B2B industrial and SMB digital markets. Optimizes CRM hygiene, pipeline quality, and forecasting using Microsoft Dynamics 365, SQL/MySQL, and Excel. Aligns sellers, marketing, and operations to improve meeting rates and on-time fulfillment across APAC/EU contexts. Documentation-led approach for repeatable cadences, enablement, and KPI visibility.

Core Skills

- **Sales Ops:** Pipeline hygiene, lead scoring, territory targeting, capacity planning, forecasting
- **CRM & Tools:** Microsoft Dynamics 365, Google Workspace, Google Ads (exposure), docs/playbooks
- **Operations:** Inventory coordination, dispatch alignment, SLA adherence, cross-functional handoffs
- **Analytics:** SQL/MySQL, Excel analysis, cohort views, funnel diagnostics, KPI reporting
- **Go-to-Market:** Prospecting cadences, demo orchestration, account research, competitive scans
- **Domains:** B2B industrial, SMB digital, APAC/EU sales motions, ICP and stage criteria

Experience

Zenith Industrial Rubber Products Pvt. Ltd.

January 2024 – Present

Sales and Marketing Executive

Chennai, India

- Drove full-cycle B2B prospecting to onboarding; targeted ICP accounts and booked demos with decision makers.
- Maintained Dynamics 365 hygiene; ran SQL/Excel checks to validate stages, win-loss tags, and owner actions.
- Lifted meetings set by 15–20% via list refinement, template iteration, and follow-up cadence discipline.
- Improved forecast accuracy by 8–12% through weekly pipeline reviews and probability guardrails by stage.
- Aligned inventory and dispatch on committed deals; reduced stockouts and safeguarded promised ship dates.

Self Employed

June 2022 – December 2023

Consultant (Sales/Marketing)

Remote

- Advised SMBs on digital presence and basic CRM workflows to strengthen awareness, trials, and handoffs.
- Set up spreadsheet and lightweight CRM trackers for leads, CAC, conversion gates, and follow-up SLAs.
- Increased inbound leads by 10–15% using focused keywords, social proof, and concise landing copy.

The Web Store

March 2021 – May 2022

Marketing Associate

India

- Planned social and email campaigns; matched creatives to segments and refined offers for peak periods.
- Tracked campaign performance in spreadsheets; briefed improvements for next-cycle creative execution.
- Compiled competitive scans to sharpen talk tracks, promotions, and positioning for target audiences.
