Dear Hiring Manager,

I am writing to express my interest in the Head of Growth / Growth Marketing Lead position in your company. With more than 18 years of experience in driving customer acquisition, retention, and revenue growth, I specialize in building data-driven marketing programs that deliver measurable results.

At The Times of India, I led cross-channel acquisition and CRM initiatives that reduced subscriber acquisition cost by about 18%, increased paid conversions by 22%, and launched monetizable IPs generating over €0.25M in incremental revenue. By creating audience segments, implementing A/B testing frameworks, and optimizing programmatic media buys, I improved campaign ROI by 15% while scaling platform membership to roughly 150,000 monthly active users.

I bring deep expertise in paid media strategy, funnel optimization, CRM lifecycle management, and cross-functional leadership, all essential for scaling user growth and lifetime value in competitive markets. I am particularly drawn to your company's focus on innovation and would welcome the chance to contribute to its growth initiatives in Germany.

I would be happy to discuss how my experience can help achieve its growth and revenue goals. Thank you for considering my application.

Sincerely,
Manoj Hegde
