Summary

SAP Basis professional with 3+ years in enterprise operations across transports, background jobs, user/role hygiene, and logs/dumps. Strength in proactive monitoring and change governance on NetWeaver with foundational HANA exposure; calm, documentation-first approach to uptime and SLAs. Cross-team collaborator with incident response habits suitable for regulated EU environments; ready for Germany-focused delivery.

Core Skills

- | | | |
|--|---|---|
| • SAP Basis: Client admin; user/role admin; CTS transports; spool/admin; license; system copy | • Databases & HANA: Tablespace checks; freespace monitoring; datafile mgmt; HANA fundamentals | • Platform/Tools: NetWeaver ABAP/Java basics; Flexera coordination; SolMan (concepts); Excel |
| • Monitoring & Ops: Work processes; logs; ST22 dumps; SM36/SM37 scheduling; health checks | • Integration (PI): Message-flow monitoring; node load distribution; queue clearance; post-move checks | • Compliance: Incident/change mgmt; audit readiness; documentation standards |

Experience

Tech Mahindra

September 2016 – September 2019

SAP Basis Consultant

Coimbatore, India

- Assured platform stability for a telecom client (T-Mobile) via daily checks and early log/dump analysis to prevent outages.
- Governed CTS transports with post-move validations; standardized checklists to reduce rework by 15%.
- Scheduled and tracked SM36/SM37 job chains; improved batch reliability to 98% through proactive retries.
- Maintained DB freespace and datafiles; enforced 2-week capacity look-ahead to avoid space incidents.

Amazon Development Center India

September 2023 – February 2024

Virtual Customer Service Associate

Bengaluru, India

- Resolved complex tickets for US customers; documented reproducible steps to accelerate handoffs and closure times.
- Partnered with business & engineering on clarifications; reduced repeat escalations with precise knowledge updates.
- Maintained FAQs and evaluations during peaks; supported stable SLAs through disciplined communication practices.

Education

Hindusthan College of Engineering and Technology

2012 – 2016

B.E. Aeronautical Engineering

Coimbatore, India
