Dear Hiring Manager,

I am excited to apply for the **ITIL Service Manager** position as advertised. With over **14 years of experience in IT Service Management (ITSM)**, specializing in **Incident, Problem, and Change Management**, I have successfully led cross-functional teams, optimized ITIL processes, and driven operational efficiency. My expertise in **root cause analysis, SLA compliance, risk mitigation, and process improvement** makes me a strong candidate to contribute to your IT service excellence.

In my current role at **TechMojo Solutions**, I have **implemented ITIL processes across service management functions, reducing service disruptions and improving resolution efficiency by 20%**. I have also **led Change Advisory Board (CAB) meetings**, ensuring seamless change implementation while mitigating risks. Throughout my career, I have been instrumental in reducing incident resolution times, strengthening service level compliance, and enhancing collaboration between IT and business stakeholders.

Key highlights of my expertise include:

- ✓ **ITIL Framework Implementation** – Optimizing Incident, Problem, and Change Management to minimize disruptions.
- ✓ **Stakeholder & Vendor Management** – Aligning IT operations with business objectives and ensuring seamless collaboration.
- ✓ **Process Optimization & Risk Mitigation** – Improving response times and reducing major incident recurrence by 15%.
- ✓ **ITSM Tool Expertise** – Hands-on experience with **BMC Remedy, Cherwell, and other ITSM platforms** to enhance service visibility and efficiency.

I am currently in the **process of obtaining my Germany visa** and am eager to leverage my expertise in an international setting. I am confident that my experience and commitment to **continuous improvement and service excellence** would make me a valuable addition to your team.

I would welcome the opportunity to discuss how my skills align with your requirements. Thank you for your time and consideration—I look forward to the possibility of contributing to your organization.

Best regards,
Sandeep Duptala
