Dear Hiring Manager,

I am writing to express my interest in the SAP Concur Consultant position in Germany. With over 15 years of professional experience in SAP Concur implementation, global support, and finance operations, I bring a proven ability to deliver scalable, compliant, and high-impact enterprise solutions for multinational clients.

In my current role at Cognizant Technology Solutions, I lead end-to-end SAP Concur implementations, including a global rollout for Sanofi covering 30,000+ users across 15 countries. I manage cross-regional teams of 11 members, ensuring 98% SLA compliance, seamless integration with SAP FICO, S/4HANA, and Workday, and flawless monitoring of 1,000+ daily file transfers via TIBCO. Beyond technical execution, I ensure audit readiness with SOX-compliant documentation and drive KPI performance consistently above 95%.

Previously at Tata Consultancy Services, I delivered a full-cycle SAP Concur implementation for Nokia across Europe and APAC, while overseeing a 9-member support team handling 500+ monthly tickets. My efforts reduced claim cycle times by 20%, automated KPI dashboards to cut manual reporting by 30%, and strengthened compliance through rigorous process documentation. Earlier finance roles at Alstom T&D India and Maersk Global Service Centre equipped me with a solid foundation in Accounts Payable, Vendor Management, AR collections, statutory compliance, and financial reconciliations—providing a well-rounded perspective that enriches my SAP Concur consulting expertise.

I hold an MBA in Marketing & Finance from Anna University and a Bachelor's degree in Business Administration from Manonmaniam Sundaranar University. My academic background, combined with hands-on expertise in SAP Concur, SAP FICO, and enterprise finance processes, positions me to add measurable value in supporting global digital transformation initiatives in Germany.

I am confident that my combination of SAP Concur domain expertise, project leadership, and finance operations background will enable me to make a strong contribution to your organization. I welcome the opportunity to discuss how my experience and skills align with your requirements and support your team's success.

Thank you for considering my application. I look forward to the opportunity to contribute to your organization in Germany.

Sincerely,
Vignesh S
