Experience

Cognizant Technology Solutions

September 2019 – Present

Senior Associate – Project/Service Delivery (SAP ecosystem)

Chennai, India

- Directed a multi-country enterprise rollout (15+ countries, ~30K users): owned plan, cross-team orchestration, release & cutover, and hypercare to stabilize adoption with zero critical failures.
- Led an 11-member L2/L3 global support team (EMEA/APAC/NA); achieved 98% SLA compliance and sustained KPIs in “green” (>95%), presenting outcomes in quarterly service reviews.
- Coordinated ERP/HRIS integrations (SAP FICO, S/4HANA, Workday) and monitored 1,000+ daily file transfers via TIBCO; mitigated risks proactively to protect business continuity.
- Governed change pipeline (400+ service requests/enhancements annually) through ServiceNow; streamlined release readiness and reduced operational incidents across regions.

Tata Consultancy Services (TCS)

October 2013 – September 2019

Techno-Functional Lead – Project Execution & PMO

Chennai, India

- Delivered full-cycle program for Nokia (20K+ employees) from blueprint to hypercare across Europe & APAC; coordinated 40+ stakeholders and managed annual enhancement budgets of \$1M.
- Supervised a 9-member Tier 2/3 team; resolved 500+ monthly tickets with 96% SLA adherence while standardizing workflows across modules (User Admin, Roles, Travel, Request, Expense, Reporting).
- Orchestrated partner integrations (SAP, SuccessFactors, Citi Cards, CWT) handling 5K+ daily transactions; prevented breakdowns through governance checkpoints and issue triage.

Alstom T&D India Pvt. Ltd

September 2012 – September 2013

Finance Executive – Shared Services Transition

Chennai, India

- Transitioned domestic AP operations for 1,500+ vendors to Chennai SSC; standardized reconciliations and controls to maintain audit readiness.
- Processed 1,200+ vendor invoices and 400+ employee travel claims monthly with 98% accuracy; stabilized DPO and improved on-time payouts.
- Managed daily payment proposals/urgent payouts via ICICI portal (5Cr/month); ensured statutory compliance (TDS, VAT, PF).

Maersk Global Service Centre

February 2010 – September 2012

Process Expert – Finance & Accounting

Chennai, India

- Audited/processed 2,000+ invoices per month; resolved disputes and upheld global payment terms and documentation standards.
- Collaborated with 15+ international offices; reduced overdue collections by 12% via structured follow-ups and escalation cadences.
- Tracked productivity metrics and ran weekly reviews; contributed to ~10% improvement in team efficiency.
