Summary

Civil project and planning engineer with 5+ years across airport cargo renovation, administrative offices, and cold storage builds. Delivers schedule realism, quality compliance, and audit-ready documentation. Experienced across multi-discipline scopes (civil, interiors, MEP) for government and private entities, open to EU relocation.

Core Skills

- **Planning & Controls:** Primavera P6, MS Project, baselines, critical path, lookahead plans, progress S-curves, variance notes
- **Design & Modeling:** AutoCAD, Revit, SketchUp, Lumion, 2D/3D modeling for scope clarity
- **Stakeholders:** contractors, vendors, consultants, client coordination, approvals, audit readiness
- **Estimating & BOQ:** quantity take-off, cost sheets, Excel dashboards, procurement alignment
- **Execution & Quality:** site supervision, QA/QC coordination, inspections, RFIs, MoM, as-built updates
- **Domains:** airport renovation, administrative buildings, cold storage (civil + interiors + MEP)

Experience

Vermillion Enterprises Pvt Ltd

February 2025 – Present

Project Engineer

Bangalore, India

- Delivered airport cargo strengthening and renovation at BIAL, aligned civil, interiors, and MEP to planned milestones.
- Prepared BOQ and material take-off from drawings, applied checklist reviews to raise estimate accuracy and reduce rework.
- Maintained daily reports, RFIs, MoM, and approvals, kept documentation audit-ready and decisions traceable.
- Monitored works against specifications, flagged non-conformance and coordinated fixes with contractors and vendors.

Tamilnadu State Agricultural Marketing Board (Civil Wing)

July 2022 – January 2025

Project Engineer cum Planning Engineer

Chennai, India

- Built 2D/3D models in Revit for scope clarity and revisions, improved handoffs with consultants and site teams.
- Estimated budgets and schedules in Primavera P6 and Excel, tracked variance and issued recovery actions to leadership.
- Executed and monitored site activities with daily status updates, escalated risks with owners and due dates.
- Consolidated reporting and expense accounting, supported timely approvals and transparent payments.

Tamilnadu State Agricultural Marketing Board (Civil Wing)

August 2019 – September 2020

Project Engineer

Chennai, India

- Produced AutoCAD building plans aligned to scope and codes, issued for construction after structured reviews.
- Liaised with consultants and contractors to clearances and sequencing, prevented avoidable rework on site.
- Tracked daily progress and actions for Assistant Engineer, improved accountability and follow-through.

Selected Projects

CT-2 WFS Cargo Strengthening & Renovation, Kempegowda International Airport (Bangalore)	Bangalore
• Reinforced structure and interiors with coordinated MEP interfaces, held RFIs and inspections for quality compliance. • Sequenced activities to reduce clashes, aligned contractor access windows with critical path and approvals. • Maintained documentation control and as-built updates for clean closeout and handover readiness.	
Administrative Office Buildings for TNSAMB and TNAU (G+2)	Chennai
• Supported planning and execution for commercial/office facilities, coordinated consultants and site teams. • Tracked progress and risks, reported variance with actions to keep milestones feasible. • Estimated quantities and costs, validated BOQ against drawings for procurement readiness.	
Cold Storage Warehouses (Ambattur 5000 MT, Redhills 2000 MT)	Chennai
• Planned and monitored scope for civil and services, aligned sequencing with equipment and finishing trades. • Updated progress dashboards, coordinated inspections and documentation for approvals. • Maintained quantity take-off and cost sheets, supported timely procurement and payment processing.	

Education

SRM University, Chennai	2020 – 2022
<i>MTech, Construction Engineering and Management (CGPA 9.59)</i>	<i>India</i>
Velammal Engineering College, Chennai	2015 – 2019
<i>BE, Civil Engineering (CGPA 7.20)</i>	<i>India</i>

Certifications

- Diploma in AutoCAD, Revit, STAAD.Pro, Primavera P6
- NPTEL: Planning and Control
- Coursera: Major Engineering Project Performance
- Oxford University: Construction Management

Languages

- English – Full Professional Proficiency (C1)
- German – Intermediate Working Proficiency (B1)
