Dear Hiring Team,

I am excited to apply for a marketing opportunity at your organization. With over 2.5 years of experience as a Growth Marketing Specialist, I bring a strong foundation in SEO, performance advertising, and social media marketing, backed by proven results across healthcare, EdTech, and SaaS industries.

In my current role at Social Sculpt, I have managed LinkedIn and Meta ad campaigns with budgets exceeding ₹1 crore, optimized executive personal branding for healthcare leaders, and produced pitch decks that strengthened client acquisition. I also executed on-page, off-page, and technical SEO audits that improved search rankings and drove organic traffic. Leading a team of five, I successfully delivered integrated marketing campaigns aligned with client objectives, highlighting my ability to combine strategy with execution.

Previously at Cape Agency, I advanced from intern to SEO Executive within three months, managing 15+ social media accounts and implementing SEO strategies that boosted organic visibility and engagement. My experience in handling diverse client portfolios, coupled with certifications in Google Analytics, PPC, and content strategy, has equipped me to deliver measurable growth and performance outcomes.

I am particularly drawn to contributing to a dynamic and growth-focused organization where I can leverage data-driven marketing to achieve business impact. I am eager to contribute my skills in campaign management, SEO, and analytics to support your team's marketing goals and long-term growth.

Thank you for considering my application. I would welcome the opportunity to discuss how my background and expertise can contribute to your organization's success.

Sincerely,
Suriya Raja
