Dear Hiring Manager,

I am writing to express my interest in sales and distribution leadership opportunities within your organization. With over 10 years of experience in territory management, modern trade operations, and retail execution across consumer electronics and FMCG, I have consistently driven revenue growth, optimized operational processes, and strengthened team performance.

In my current ventures as a Real Estate Consultant and Hospitality Entrepreneur, I manage end-to-end operations, client acquisition, and team coordination, achieving up to 30% growth in client retention and walk-in traffic. Previously, as Territory and Area Sales Manager at Transsion Holdings and PE Electronics, I led teams of 15–30 promoters, managed 100+ retail outlets, executed merchandising campaigns, and consistently exceeded sales targets, achieving top rankings across India.

My expertise spans sales strategy, territory management, distributor and dealer engagement, merchandising, and operational efficiency. I am adept at leading cross-functional teams, building high-performing promoter networks, and implementing structured processes to drive revenue and market share growth.

I am particularly drawn to opportunities in Germany, where organizations value structured sales operations, process rigor, and market-focused execution. My experience in managing large teams, multi-channel operations, and customer-focused initiatives positions me to contribute effectively to your business objectives. With English (C1) and German (B1) proficiency, I am committed to integrating into local business environments and delivering measurable results.

I would welcome the opportunity to discuss how my experience in sales leadership, distribution management, and operational excellence can support your organization's growth objectives.

Thank you for your time and consideration.

Sincerely,

Karunesh Angadi
