Summary

Deputy Sales Manager with 13+ years of consultative sales experience, driving predictable revenue through disciplined pipeline execution. Own end-to-end deal cycles across discovery, qualification, negotiation, objection handling, and closing. Lead forecasting cadence and pipeline inspections to improve conversion, deal quality, and run-rate accuracy. Coach teams through talk tracks and enablement to raise sales consistency and target attainment. Open to relocate to Germany for DACH-focused inside sales leadership roles.

Experience

Infinium Developers

October 2024 – Present

Deputy Manager, Sales

Coimbatore, India

- Recognized as Top Sales Performer (2024-2025) for consistent target attainment and deal execution.
- Drive lead-to-close execution for residential sales, managing a monthly pipeline of 25 active prospects.
- Conduct pipeline cadence, follow-ups, and deal reviews to improve stage hygiene and reduce slippage by 15%.
- Strengthen broker and referral channels via structured outreach, increasing partner-sourced leads by 20%.
- Improve closures by tightening negotiation & documentation readiness, sustaining a 5:1 lead-to-booking conversion ratio.

G SQUARE Realtors Private Limited

September 2023 – October 2024

Deputy Manager, Sales

Coimbatore, India

- Owned lead-to-close execution for plotted development sales, from discovery and site visits to booking.
- Ran pipeline reviews, forecast cadence, and deal coaching to standardize stages, next steps, and close plans.
- Exceeded annual target by 25% on Hillview execution through tighter qualification and conversion playbooks.

Casagrand Builders

June 2019 – September 2023

Assistant Manager, Sales

Coimbatore, India

- Managed inbound leads and pipeline for apartment portfolio, guiding prospects through visits, negotiation, and booking.
- Coordinated with CRM teams on issue resolution and documentation follow-through to protect deal momentum.
- Accelerated pipeline via cold calling and networking, adding 25 qualified leads per month beyond walk-ins.
- Expanded broker and referral channels to contribute 30% of qualified leads and improve market coverage.

KSK Property Developers

January 2015 – May 2019

Assistant Sales Executive

Coimbatore, India

- Sourced and qualified buyer requirements, matching inventory and managing follow-ups through documentation.
- Built broker network and coordinated local marketing activities to improve lead capture and sales handoffs.
- Increased referral-led pipeline by expanding broker coverage, reducing reliance on walk-ins by 20%.
- Improved booking value through upsell identification and cross-selling support, contributing 10% higher value.

Sri Sai Industries

August 2012 – January 2015

Junior Production Engineer

Coimbatore, India

- Planned and monitored daily production to meet delivery timelines for pump manufacturing and testing.
- Implemented cost reduction and standard work updates, improving throughput and reducing rework via tighter QC.
- Optimized processes to raise productivity by 12% while maintaining high-voltage and routine test compliance.

Projects

Sales Training Program: Negotiation and Product Knowledge

- Designed enablement program to strengthen negotiation and product knowledge across the sales team.
- Created training modules, role-play scenarios, and call review coaching loops to improve talk tracks.
- Standardized documentation checklists, reducing closing delays by 15% and improving qualification quality.

Education

Anna University

June 2009 – May 2012

BE in Electrical and Electronics Engineering

Chennai, India

Department of Technical Education

June 2006 – May 2009
