Summary

Operations coordinator with 11+ years delivering time-critical crew logistics across bulk, container, and tanker fleets. Owns end-to-end crew change execution, aligning recruitment, travel, and port agent dependencies to meet sailing windows. Drives schedule accuracy through weekly planners, crew lists, and structured follow-ups across multiple stakeholders. Controls operational spend via quotation validation, invoice clearance, and clean supporting documentation. Strengthens compliance readiness through certification tracking, joining formalities, and licence application coordination.

Core Skills

- **Operations & Scheduling:** Crew change planning, crew lists, weekly planners, reliever planning
- **Travel Coordination:** Domestic and international ticketing, routing, accommodation bookings
- **Vendor & Agent Management:** Port agent coordination, quotations, follow-ups, issue resolution
- **Cost & Billing Control:** Invoice validation, clearance tracking, supporting documentation
- **Documentation & Compliance:** Joining formalities, certification follow-up, flag licence workflows
- **Tools:** MS Excel/Word/PowerPoint, DG Shipping portal, Phoenix, Shipmate-to-Phoenix migration
