

DURAISAMY G

Mayiladuthurai, India (Willing to relocate to Germany)

☎ +91 8754247339 ✉ Duraigananasekar07@gmail.com  [Duraishamy G](#)

Summary

Service delivery and branch-operations professional with experience across ICICI, Kotak Mahindra, and IndusInd. Owns SLAs, KYC onboarding, documentation quality, teller/vault control, and audit-ready processes. Streamlines handoffs, reduces handling time, and improves CSAT with maker-checker discipline. Comfortable with FCRM, clearing/CMS, core banking, Excel/MIS, and privacy-compliant workflows. Open to EU processes and German documentation rigor.

Core Skills

- **Service Ops:** SLA management, CSAT/NPS improvement, AHT/TAT reduction, escalation handling, FCR, queue management
- **Branch Ops:** Teller & vault control, EOD balancing, cash logistics, maker-checker, lobby management, clearing (CMS)
- **Products:** CASA, loans (gold/home/mortgage), life & general insurance, investments (SIP/RD/FD)
- **Onboarding & KYC:** Account opening, KYC verification, documentation QA, welcome calls, digital activation
- **Compliance:** Audit readiness, regulatory reporting, data privacy, exception closure, clean documentation trails
- **Tools:** Core banking, FCRM (ICICI), clearing/CMS, Excel, MIS, email workflows

Experience

IndusInd Bank

June 2025 – Present

Service Delivery Manager

Mayiladuthurai, India

- Lead branch service KPIs and SLAs; own KYC/activation flows and triage to reduce queues and expedite resolutions.
- Redesign lobby triage and doc checklists; streamline maker-checker stages to lower handling time and rework.
- Run welcome calls and digital onboarding; increase activation and channel adoption across retail products.
- Audit critical transactions and coach staff; enhance complaint closure rates and prevent penalties with controls.

Kotak Mahindra Bank

January 2022 – December 2024

Branch Operations Manager

Tiruvannamalai, India

- Direct teller & vault control, EOD balancing, cash shipments, and monthly compliance in a high-traffic branch.
- Tighten documentation and regulatory reporting; close exceptions within targeted windows to keep audits clean.
- Reorganize files and SOPs; reduce ops errors and retrieval time with standardized records and controls.
- Partner with sales on service improvements; lift cross-sell conversions while maintaining SLA discipline.

ICICI Bank

April 2019 – January 2022

Customer Service Officer

Chidambaram, India

- Operate reception, teller, and clearing desks; reconcile EOD cash without variance and meet TAT consistently.
- Resolve FCRM cases and complex queries; standardize checklists to improve documentation completeness.
- Execute KYC and account opening; ensure first-time-right document packs and compliant onboarding.

Karur Vysya Bank

September 2017 – October 2018

Direct Sales Officer

Cuddalore, India

- Prospect households & SMBs; present retail products and complete compliant applications end-to-end.
- Build referral pipeline via proactive service; sustain repeat business through timely follow-ups.
- Meet personal quotas and support branch targets in a field-first, fast-paced environment.

Education

Mahendra Engineering College

June 2017 – May 2019

M.E. — Construction Engineering & Management

Mahendrapuri, India

Mahendra Institute of Engineering & Technology

May 2013 – June 2017

B.E. — Civil Engineering

Mahendrapuri, India

Awards

Audit recognition for strong documentation and controls (*confirm exact phrasing and year*).
