Summary

Senior Internal Auditor with 14+ years in multi-branch financial services, delivering risk-based audits. Own audit planning, control testing, and evidence-led reporting aligned to regulator guidance & policy. Experienced in lending documentation reviews, KYC compliance testing, & exception identification across branch operations. Strong in reconciliations, trial balance validation, and remediation follow-up with stakeholder ownership.

Core Skills

- **Internal Audit:** Risk-based audit planning, audit programs, walkthroughs, sampling, working papers
- **Controls Testing:** Control design review, control effectiveness testing, evidence capture, exception logs
- **Compliance:** KYC documentation checks, policy adherence testing, audit trail, remediation tracking
- **Financial Controls:** Bank reconciliation review (BRS), trial balance validation, variance investigation
- **Reporting & Governance:** Audit observations, root-cause analysis, risk rating, management reporting
- **Tools & Data:** MS Excel, MS Word, Tally (TCP), structured checklists, trackers, templates

Experience

Muthoot Finance Ltd. (Muthoot Group)

June 2011 – Present

Internal Auditor

Kerala, India

- Lead risk-based audits across 25+ branches/year, validating controls in lending and group units.
- Run walkthroughs, sampling, and working papers, test BRS, trial balances, KYC, and loan files in Excel.
- Improve closure speed by 20% by prioritizing high-risk observations and tracking remediation with branches.
- Strengthen fraud detection and regulator-ready documentation through evidence-led reporting to leadership.

Selected Audit Coverage

- Conduct quarterly management audits, rating control gaps and tracking exception closure to completion.
- Execute forex audits on scheduled cycles, validating documentation and process compliance.
- Audit vehicle finance monthly, verifying files, reconciliations, and adherence to lending policies.
- Perform online and system audits by reviewing system-updated documents and remote evidence trails.
- Review personal loan operations periodically, testing controls and escalating high-risk exceptions.
