Summary

Quality Assurance Auditor in food manufacturing with 5+ years of experience across bakery, flatbreads, ambient foods and fresh produce in the United Kingdom and India. Delivers audit-ready plants through disciplined HACCP and GMP application, robust CCP monitoring and strong documentation that withstands certification and customer scrutiny. Experienced with BRC and SALSA frameworks, internal audits, non-conformity management, complaint investigations and calibration of critical equipment. Collaborates closely with production, technical and maintenance teams to stabilise processes, reduce issues and support safe, compliant growth in EU and international markets.

Core Skills

- **Food Safety & Compliance:** HACCP, CCP monitoring, GMP, BRC, SALSA, traceability, foreign body control.
- **Quality Systems & Audits:** Internal audits, non-conformity management, CAPA follow-up, audit preparation.
- **Documentation & QMS:** SOP drafting, document control, record keeping, quality manual maintenance.
- **Testing & Equipment:** Product and environmental sampling, microbiological testing, X-ray, metal detectors.
- **Lab & Line Tools:** Gas analyser, pH meter, A.W. meter, scales, leak tests, barcode verification, label systems.
- **Operations & Stakeholders:** Shop floor coaching, cross-functional teamwork, complaint and root cause analysis.

Experience

LT Foods

March 2025 – October 2025

Quality Assurance Auditor

Harlow, United Kingdom

- Ensured food safety and audit readiness for ambient and heat-and-eat rice through HACCP, GMP and BRC checks.
- Executed internal audits, reviewed CCP records and floor practices, raised nonconformities and guided realistic CAPAs.
- Cut repeat nonconformities by 20% and lifted first time release rates by tightening X-ray checks and holds.
- Prepared plant teams and documentation for Eurofins BRC audits and maintained an accurate, controlled quality manual.

Gail's Bakery, The Bread Factory

February 2024 – February 2025

Quality Auditor

London, United Kingdom

- Protected product quality and food safety for breads and salads via checks from raw intake through cooling and dispatch.
- Monitored HACCP and CCP records, challenged gaps during shifts and supported operators to fix issues in real time.
- Reduced complaints about foreign bodies and underbake by tightening traceability checks and leading investigations.
- Managed microbiological swabs with Eurofins and ALS, calibrations and pest control, hygiene and GMP audit activities.

Signature Flatbreads

September 2023 – February 2024

Quality Controller

Dunstable, United Kingdom

- Safeguarded flatbread and tortilla quality with failsafe checks on metal detectors and X-ray units across high-speed lines.
- Checked product dimensions, weight, pack integrity and label codes from Bartender, Logo Pack and Axiom to cut labelling errors.
- Prepared retain and weekly pathogen testing samples and kept quality records complete and easy to retrieve for audits.

9 Cuisines, Airline Catering Company

January 2022 – January 2023

Food Technology Intern

North Acton, United Kingdom

- Supported meal production for airline and hotel clients while following hygiene, allergen control and temperature standards.
- Assisted with stock checks and traceability so that ingredients and batches could be tracked from intake to dispatch.
- Backed quality and production teams by preparing records and basic checks needed for audits and customer requirements.

Flamingo Group International

January 2021 – January 2022

Production Operator (Part-time)

Stevenage, United Kingdom

- Sorted and packed fresh produce on high-speed lines while carrying out visual quality checks for damage and defects.
- Maintained hygiene and safety in the packing area and followed SOPs to help prevent cross-contamination incidents.
- Met daily production targets in a fast-paced environment by coordinating with team members and line supervisors.

Education

University of Bedfordshire

2022 – 2023

Master's in Food Security in Public Health

Luton, United Kingdom

Vignan University

2017 – 2021

Bachelor's in Food Technology

Guntur, India

Certifications

- HACCP Level 3 – Food safety and hazard analysis certification.
- Internal Auditing Level 3 – Training in audit planning, execution and CAPA verification.

Languages

- English – Full Professional Proficiency (C1).
