Experience

Trigent Software Pvt. Ltd.

November 2025 – Present

Customer Service Representative

Bengaluru, India

- Own Tier 2 international customer support via calls, email, and chat, resolving 40-60 complex tickets/day within SLA.
- Coordinate with internal teams on escalations and outbound callbacks, reducing repeat contacts and escalations by 15%.
- Maintain and update knowledge base articles, self-service journeys, improving first-contact resolution and deflection rates.

Mouri Tech

June 2024 – September 2024

Process Associate

Hyderabad, India

- Owned daily operations queues, ensuring SLA-compliant processing and 98% accuracy across 50-70 seller cases/day.
- Applied CRM triage, Excel controls, and SOPs to standardize steps, remove bottlenecks, and cut rework by 10-15%.
- Automated trackers and templates in Excel/CRM, reducing manual follow-ups by 20% and improving real-time visibility.

Amazon Development Center India Pvt. Ltd.

July 2021 – March 2024

Seller Support Associate

Hyderabad, India

- Owned end-to-end seller case resolution for account health, listings, payments, and policy, sustaining 90%+ CSAT.
- Analyzed seller performance trends and RCAs, preventing repeat defects and improving first-time fix by 5-8%.
- Partnered with program and operations teams to refine SOPs, lowering repeat contacts by 8-12% and aiding retention.

Projects

GUI Oracle Interface to Java | Academic Project, Hyderabad, India

- Built a Java GUI to simplify Oracle installation and database setup, improving usability for repeat deployments.
- Integrated JDBC, Servlets, JSP, and SQL*Plus scripts to automate DB operations and handle errors reliably.
