Summary

Multimedia journalist with 1+ years of experience across television, radio, and digital platforms in the US, UK, and India. Graduate of Syracuse University in Broadcast and Digital Journalism, combining political reporting, field production, and script writing for tight deadline environments. Translate complex policy and social issues into clear, human-centered stories tailored to regional audiences. Operate as a one-person crew from pitch to publish across video, audio, and social channels. Open to newsroom roles in Germany that value ethical reporting and multiplatform storytelling.

Core Skills

- **Reporting & Storytelling:** Political reporting, local beats, feature pieces, story pitching, editorial planning
- **Journalism Foundations:** Research, interviewing, fact checking, source building, ethics, deadline management
- **Video & Audio Production:** On-camera presentation, field shooting, basic lighting, sound, package editing
- **Tools & Platforms:** Adobe Audition, basic NLEs such as Premiere or similar, radio studio workflows, CMS
- **Digital & Social:** Social video packaging, headline and caption writing, audience engagement, basic analytics
- **Regions & Markets:** US federal politics, local US communities, Indian digital news, UK campus reporting

Experience

Nexstar Media Group (ABC22 and FOX44)

July 2024 – September 2024

Washington Correspondent

Washington, DC, USA

- Served as Washington DC correspondent for a station based in Vermont, owning political and policy coverage for regional viewers.
- Reported, scripted, shot, and edited packages daily on Congress, federal agencies, and elections as a one-person crew.
- Connected climate, rural, and health policies to local impact for 600000 audiences, clarifying the relevance of national news.
- Delivered live shots from Capitol Hill and the 2024 Republican National Convention, strengthening on-air presence.

WAER Radio (NPR Affiliate)

August 2023 – December 2023

Reporter and Student Intern

Syracuse, NY, USA

- Covered city government, campus issues, and community events for WAER newscasts, NCC News while studying.
- Researched topics, interviewed officials, experts, residents, and wrote scripts that simplified complex issues for audiences.
- Edited audio packages in Adobe Audition and prepared web-ready copy, improving pacing and clarity for radio and digital listeners.

PeekTV India

July 2025 – September 2025

Digital Content Editor

New Delhi, India

- Owned daily news explainers and social first videos for Indian audiences, focused on Instagram and mobile-centric consumption.
- Grew the Instagram community from 15000 to 100000 followers in 2 months by sharpening hooks, headlines, and visual framing.
- Launched recurring social video series on violence against women, blending survivor voices, experts, and data with care.
- Monitored views, likes, and comments to refine topics, posting times to increase engagement among young viewers.

Projects

Documentary on Child Sexual Abuse – In-depth report on rising cases in Syracuse

Syracuse, NY, USA

- Produced an in-depth documentary on rising child sexual abuse cases in Syracuse, focusing on prevention and education efforts.
- Analyzed research showing higher impact on immigrant and refugee communities, underscoring the need for comprehensive sex education beyond simple “bad touch” messages.

Social Impact Story Series – Violence Against Women, PeekTV India

New Delhi, India

- Produced a weekly PeekTV India social series highlighting 5 severe sexual assault or violence cases against women in India, often involving minors.
- Showed how these cases affect different Indian states and communities using public reports and data, driving awareness and discussion among young digital audiences.
