Summary

Construction leader with 14+ years across office, retail, automotive, and industrial fit-outs in India GCC. Own end-to-end delivery from design coordination, permitting, and tendering to execution, handover, and warranty. Partner with Architecture, MEP, and FM to achieve schedule, cost, and quality targets. Skilled in QA/QC, vendor governance, change control, and value engineering using SAP/ERP, MS Project, Primavera, and Aconex. Focus on LEED/DGNB-aligned practices, EHS compliance, audit-ready documentation, and operational readiness

Core Skills

- **Project Delivery:** Fit-out, refurbishment, warm shell to workplace, multi-tower campuses, 3S facilities
- **Quality & EHS:** QA/QC systems, ITP/WIR, snag closure, root-cause, zero-harm culture, compliance
- **Tools:** MS Project, Primavera P6, SAP/ERP, Aconex & Aconex Field, AutoCAD, MS Office
- **Planning & Control:** Baselines, look-aheads, risk registers, change control, claims, handover packs
- **Commercials:** CAPEX/OPEX, BOQ, tendering, SLAs, cost tracking, value engineering
- **Standards:** LEED/WELL/DGNB awareness, workplace guidelines, ISO 41001 (FM), ISO 9001

Experience

Casagrand Commercial

January 2025 – January 2026

Project Manager

Chennai, India

- Lead refurbishment of a multi-tower IT/ITES campus of approximately 60,000 sq.m from warm shell to workplace readiness under live-site conditions.
- Own approximately 6 Hectare Biophilic Architecture Campus for fit-out and FM upgrades, achieving about 10–12% savings through vendor consolidation, energy optimisation, and lifecycle planning.
- Coordinate design reviews, procurement, and MEP/HVAC interfaces with Aconex-driven approvals while aligning with Facilities and Asset Management requirements.
- Deploy SAP-based project and FM dashboards to cut manual reporting effort by about 40% and support audit-ready documentation and sustainability KPIs.

Ramani Group of Companies

February 2019 – January 2025

Project Manager

Tamil Nadu, India

- Owned delivery of 20+ office, retail, and 3S automotive facilities exceeding 100(thousand sq.mt.), managing approximately €14.5M CAPEX with 95% on-time.
- Ran tendering, BOQ, contract administration, and weekly design control to compress design-to-site cycles by about 15%
- Standardised ITP/WIR and NCR follow-ups to close snags on target, enabling 95% on-time completion and smoother handovers into FM.

ALEC Engineering & Contracting LLC

September 2015 – July 2018

QA/QC Coordinator

Dubai, UAE

- Directed QA/QC for a USD 1.2B mixed-use programme on Bluewaters and Bvlgari Island, covering approximately 1,80,000 sq.m of retail and office fit-outs and 1,60,000 sq.m of resort fit-outs with RCC, steel, and architectural packages.
- Configured Aconex and Aconex Field snag-governance dashboards to cut QA cycle time by 40% and sustain 100% first-pass client acceptance through to handover.

*Project Engineer**Sohar & North Batinah, Oman*

- Delivered USD 10M+ industrial/accommodation projects for ROP and Taghleef in Oman, leading civil/PEB execution on schedule and saving 12% via vendor and material optimisation.

Energy Infratech Pvt. Ltd. (Teesta Hydro, 1,200 MW)**July 2011 – October 2013***QA/QC Engineer**Sikkim, India*

- Supervised QA for CFRD dam, tunnels, and underground works, enforcing approved mix designs, tunnel support systems, and calibration routines for all testing equipment

Projects

Ecotech IT/ITES Campus

- Refurbished a 60,000 sq.m, multi-tower IT/ITES campus under live operations, managing €8.3M CAPEX for interiors/MEP/FM with staged handovers, Aconex ITP/WIR approvals, weekly quality walks and strict EHS

Volkswagen India – 3S Network, Tamil Nadu

- Delivered VW 3S/2S dealership network across Tamil Nadu (sales/service/spares), 15,000 sq.m, leading tendering/BOQ/vendor control to deliver within €14.7M CAPEX and OEM CI/quality standards

Citroën India – PSA Office

- Delivered a 5000 sq.m Citroën (Stellantis) PSA office fit-out to EU/Citroën standards in Chennai One SEZ, leading tendering through handover with shop-drawing/submittal control and vendor SLAs for predictable delivery

Tech Mahindra – SEZ Facility

Coordinated 3600 sq.m facility delivery, aligning MEP/HVAC interfaces and workplace standards under live-site constraints

Bluewaters Island –Wharf Retail & Madame Tussauds

- Supported wharf retail and associated steel/ETFE canopy packages with Aconex governance and documentation control to meet programme quality and schedule milestones.

Education

Anna University of Technology, Coimbatore**2011***B.E., Civil Engineering**Coimbatore, India***Certifications**

- ISO 41001 Implementation - Facilities Management
- LEED Green Associate (Candidate) - U.S. Green Building Council
- PMP (In Progress) - Project Management Institute
