Summary

AI product manager with 15+ years in fashion buying, merchandising and couture across Indian retail brands. Connects range planning, pricing and inventory decisions with AI-driven research and decision support to protect margin and reduce markdowns. Partners with design, sourcing, planning, stores and marketing to launch profitable collections across channels and is upskilling through an AI generalist fellowship in prompt engineering, RAG and AI agents.

Core Skills

- **Product Strategy & Discovery:** Product strategy, roadmaps, user research, requirements, backlog, experiments
- **Retail & Fashion:** Fashion buying, range planning, assortment, pricing, merchandising, retail operations
- **AI & Data:** Prompt engineering, RAG, AI agents, embeddings, semantic search, API integration
- **Execution & Leadership:** Cross-functional collaboration, vendor and project management, stakeholder communication

Experience

TATA Trent

July 2022 – September 2025

Buying Manager, SAMOH Womenswear

Mumbai, India

- Owned end-to-end buying and merchandising for SAMOH, shaping ranges, pricing and stock plans for a new womenswear brand.
- Planned assortments using trend, sell through and store feedback and tune size curves and depth with planning and sales reports.
- Negotiated costs and terms with vendors while meeting quality and launch dates, lifting margin by about 3 to 5 points and full price sell through by about 5 to 8 points across roughly 50 stores.

Indus Treasures Lifestyle Ltd

July 2021 – July 2022

Head Designer and Creative Director

Mumbai, India

- Directed concept, design and development for occasion wear collections, aligning stories, fabrics and price points to target customers.
- Introduced Clo3D digital garment workflows for Decentraland and internal reviews, cutting sample iterations and review time for the team.

Purusham

July 2020 – July 2021

Head Designer – Menswear Couture

Mumbai, India

- Led premium tuxedo, sherwani and ceremonial wear design from concept through fittings and handover for demanding clients.
- Created modular blocks and embellishment options to reuse about 20 to 30 percent of components while keeping designs bespoke.

Joochi Dabhie Designs

September 2016 – December 2019

Entrepreneur and Founder

Gurugram, India

- Founded 3 fashion verticals in B2B RTW, high-end RTW, couture, owning design, production and retail operations.
- Implemented inventory, vendor processes to cut stockouts, overstock risk and keep working capital within planned limits.

Tarun Tahliliani

May 2014 – March 2016

Fashion Designer

Gurugram, India

- Co designed a Swarovski capsule, working with vendors on layout feasibility, sampling cycles and accurate final execution for the label.

RIVAA Exports

January 2011 – January 2013

Head Designer

Surat, India

- Streamlined tech packs and approvals from design to production, reducing sample cycles and lifting on-time delivery rates for B2B clients.

Abu Jani Sandeep Khosla

January 2011 – January 2013

Paper Pattern Assistant

Mumbai, India

- Supported couture pattern development and fit for high-profile clients in a luxury atelier, ensuring accurate patterns for production.

TV Commercials and Editorials

April 2003 – March 2010

Assistant Costume Stylist

Mumbai, India

- Coordinated looks, fittings and on-set changes for major brand shoots such as Pepsi, KFC, McDonalds, Fair and Lovely and ICICI.

Projects & Learning

AI Generalist Fellowship Labs, Outskill

September 2025 – April 2026 (In Progress)

- Worked with AI agents, embeddings, vector databases and semantic search to design decision support use cases for research and planning.
