Dear Hiring Manager,

I am writing to apply for the position of Hair Stylist at your esteemed organization. With over nine years of professional experience as a Unisex Hairdresser and Makeup Artist, I have developed strong expertise in hair cutting, styling, grooming, and client consultation.

In my previous roles, I have provided personalized services to a diverse clientele, ensuring high levels of customer satisfaction and retention. I am skilled in both modern and traditional hairstyling techniques, beard grooming, and basic skin and hair treatments. I have also supported senior professionals in bridal makeup and special events, which has enhanced my ability to work efficiently under pressure.

Additionally, I have experience in training junior staff, managing multiple client appointments, and maintaining hygiene and safety standards in salon environments. I am a dedicated team player with excellent time management and customer service skills.

I am proficient in English and have basic knowledge of German (A1 level). I am highly motivated to further improve my language skills and build my career in an international environment.

I would welcome the opportunity to contribute my skills and experience to your organization. I look forward to the possibility of discussing my application with you.

Yours sincerely,

MOHD IMRAN
