- **Laboratory & Operational Quality:** Microbiological testing coordination, chemical testing coordination, retail QA, logistics and distribution quality control, FSMS documentation, complaint investigation, root cause analysis
- **Training & Cross-Functional Leadership:** Food safety training, hygiene training, pest control programs, staff induction, SCM coordination, production quality integration, NPD collaboration, 5S implementation, infrastructure improvement, QA budgeting, MRM reviews, beverage machine hygiene, Halal compliance, QA tool development

Experience

Fasta Pizza Pvt Ltd

May 2024 – Present

Quality Assurance Manager

Chennai, India

- Established the company's first FSMS and HACCP framework for QSR pizza production by designing food safety systems aligned with FSSAI and international standards.
- Developed SOPs for raw material inspection, in-process monitoring, finished product evaluation, and shelf-life validation improving process consistency by 30%.
- Directed daily quality assurance operations including hygiene audits, process verification, documentation control, and regulatory audit readiness.
- Led facility renovation using hygienic design principles and 5S practices improving sanitation compliance and operational efficiency by 25%.
- Collaborated with NPD, supply chain, and operations teams to integrate quality systems and maintain cold-chain compliance across retail and event operations.

iD Fresh Food India Pvt Ltd

July 2020 – October 2022

Senior QA Executive

Bangalore, India

- Led the launch of a tender coconut product line by conducting feasibility studies, coordinating equipment setup, and training production teams.
- Implemented HACCP and FSMS frameworks for a large-scale batter and bread manufacturing facility supporting production startup and QC setup.
- Managed distribution quality across India and GCC markets by monitoring vehicle tracking systems, temperature compliance, and FSMS audits.
- Executed product and logistics quality projects including cold-chain validation trials and infrastructure rollout across India and UAE operations.
- Reduced customer complaints by 25% through structured root cause analysis and CAPA implementation while supporting QA budgeting and digital quality tools.

Mountain Trail Foods Pvt Ltd

November 2018 – June 2020

Senior QA Executive

Hyderabad, India

- Implemented food safety systems across retail stores, warehouses, and beverage machine operations ensuring ISO 22000 compliance.
- Directed hygiene management programs including JohnsonDiversey audits, pest control systems, and store inspection programs improving compliance by 20%.
- Delivered food safety and SOP training programs for operational staff improving hygiene awareness and regulatory compliance.
- Updated QA documentation including SOPs, checklists, and vendor validation procedures while supporting NPD sensory evaluation programs.

Sky Gourmet Catering Pvt Ltd

September 2017 – October 2018

Senior QA Executive

Hyderabad, India

- Maintained airline catering food safety compliance by enforcing Gate Gourmet corporate standards and FSMS procedures.
- Supported major airline and certification audits including BSI, ISO 22000, British Airways, Malaysian Airlines, Saudia, and Vistara by preparing facilities and resolving non-conformances.
- Performed microbiological testing of ready-to-eat foods and water while conducting hygiene inspections and supplier audits to maintain audit readiness.
- Investigated customer complaints and operational incidents by performing root cause analysis and implementing CAPA frameworks.

Lulu Flight Kitchen

April 2015 – September 2017

Microbiologist

Cochin, India

- Implemented HACCP systems, PRPs, SOPs, and SSOPs aligned with GMP, GHP, HALAL, and airline catering standards.
- Led internal, supplier, and airline audits by managing hold-release procedures, mock recalls, CAPA programs, and HACCP documentation.
- Delivered training on food safety, hygiene compliance, CCP monitoring, and allergen control improving operational adherence to FSMS practices.
- Conducted microbiological testing and coordinated cross-functional teams for maintenance, calibration, and preventive quality controls.

Industrial Training

- **H and R Seafoods**, Thrissur, India
- **ABAD Overseas**, Visakhapatnam, India
- **Kerala State Drugs and Pharmaceuticals**, Alappuzha, India

Education

Al-Azhar College of Arts and Science

April 2014

Bachelor of Science in Microbiology

Thodupuzha, India

ICES Institute

April 2011

Diploma in MS Office

Ernakulam, India
